"A truly insightful reading and language exchange!"
Kokoro - Soseki Natsume • In Person Card

Methodology & Data Integrity Disclosures

• **Reporting Timezone:** Asia/Amman

• **Attendance Policy:** Attendance counts represent repeat attendance visits. Unique attendees across multiple sessions are not inferred without unique identity records.

• **Missing Data Policy:** Unknown attendance visits and actual durations are reported with explicit denominators and coverage percentages rather than treated as zero.

• **Privacy Guarantee:** Only anonymous quotations with explicit publication permissions and administrative review are published.

• **Integrity Content Hash (SHA-256):** ...
